CAPABILITY STATEMENT 2025

Why RISE?

RISE Distributors is your 'one-stop shop' for all your coating and panel repair needs, supplying the automotive, industrial, mining, marine, and equipment markets with a comprehensive range of advanced and innovative paint solutions and panel repair shop sundries. Backed by a wealth of industry experience and expert staff knowledge, we are Australia's leading distributor of coating solutions and equipment, providing everything you need in one place.

LOCAL STOCK HOLDINGS

At Rise, we understand the importance of having stock readily available. That's why we ensure all the products we sell are stored locally in our own warehouses, which are owned and operated by us. This allows us to better meet our customers' needs and provide efficient, reliable service without relying on external transport from the eastern states.

WESTERN AUSTRALIA

TEAM OF EXPERTS IN THEIR FIELD

Our team is comprised of seasoned experts across a diverse range of fields, each bringing years of experience and a deep knowledge base that is truly second to none. This unmatched expertise not only sets us apart from our competitors but also ensures that every product you purchase from us is crafted to meet your project needs with precision and reliability. With our team's experience and commitment to excellence, you can trust that we provide solutions that deliver results, every time.

PURPOSE-BUILT TECHNICAL TRAINING FACILITY

RISE supports multiple industries with a fully equipped, purpose built technical training centre, with capabilities for advanced testing of new products and repair processes.

Our Mission

To be professional, courteous and friendly in the way we deal with our customers. To truly understand the needs of our customers and work closely with them to provide the optimum solution every time by providing the best balance between product quality, price, service and outcome.

Our Values

Customer Focus: Prioritising customer satisfaction by understanding their needs and delivering high-quality products and services.

1. RELIABILITY

Consistently meeting or exceeding expectations in terms of product availability, timely deliveries, and customer service.

2. EFFICIENCY

Streamlining operations to minimize costs and reduce waste while ensuring quality service and product delivery.

3. INNOVATION

Staying ahead of industry trends, embracing new technologies, and offering solutions that improve the overall distribution process.

4. SUSTAINABILITY

Committing to environmentally responsible practices in sourcing, packaging, and logistics.

5. ACCOUNTABILITY

Taking responsibility for their actions, fulfilling commitments, and ensuring that problems are addressed quickly and effectively.

Industries We're In

Rise Distributors are the leading choice for premium products and solutions in the Industrial, Mining, Marine, and Automotive markets. We specialise in delivering top-tier brands and unparalleled customer service, ensuring that you have the right products and equipment for your operations.
